

KAEMNUR PRD V3

KAEMNUR WEBSITE ECOSYSTEM - PRD V3

Kaemnur is a productivity ecosystem focused on administrative workflow automation, offline-first desktop applications, and practical productivity tools.

Website functions:

- product showcase
- software download center
- FREE to PRO funnel
- admin management system

UI direction:

- Steam-inspired product ecosystem structure
- visual styling based on KaemDocs application UI
- clean and productivity-focused

License philosophy:

- offline-first
- local desktop validation
- no realtime validation required
